From The Desk of Msgr. Corrigan:

What will our parish look like in the year 2180? I chose that date because it is 166 years in to the future- the exact number of years our parish has existed from its founding in 1848. It is ridiculous to try to predict the future so far ahead but it is good though experiment. Looking back at Yonkers in 1848 you can see the beginning of a great industrialization that would attract many thousands of new immigrants looking for jobs in the city. Our founders did not predict this-they thought their new church building (our present parish hall but half the present size) was too big for their needs. Nor could they have foreseen the inventions of electricity, cars, planes, movies, radio, television, computer, to name just a few.

Some big questions about 2180: Will new inventions enable us to live on this planet earth or, if life is not sustainable, will they help us to find new planets to inhabit. Will there be a new worldwide governing body whose decisions will be followed by all the earth's inhabitants or will there be a furthering division of the have and have not nations? Will our own nation solve the growing divisions within itself or will it tear itself apart-breaking up into new nations. How will this have an impact on our parish which by that time might be the only church in Yonkers (as it was in 1848)?

It is easier to give up on this world of ours and wait for the coming of the Kingdom of God. God could have done that 2,000 years ago, instead, God sent his Son to be one of us. What does that say about God's plan for our future? Keep hopes burning bright, despite the odds. The parishioners of 2180 will thank us, the parishioners of 2014, as we

thank the parishioners of 1848.

A joyful and hope-filled Christmas to all. Our first Mass in our new church in 1848 was celebrated on December 25.

COLLECTION:

The collection for last Sunday, December 14, 2014 was \$2,875.00

The second collection today Sunday, December 21st will be for our Church Property Insurance.

After two Sundays of hearing from **John the Baptist**, today we encounter the other major figure of **Advent**, the **Blessed Virgin Mary**. On this last Sunday before Christmas, how fitting it is that we should ponder once again on **Mary's** response to **God's** invitation through the angel **Gabriel**. Let us pray for the grace to respond to **God's** invitations to us as we begin our final preparations for the coming of the **Lord**.

In the first reading, King David has a plan for God. He discovers that God instead has a plan for him

In the second reading, Paul gives glory to God through Jesus, God's Son, for revealing the plan of salvation. All are called to salvation by believing in God and doing God's will.

In the Gospel, The archangel **Gabriel** announces to **Mary** that she will be the mother of **Jesus** through the power of the **Holy Spirit**. Nothing is impossible for **God**.

Question of the Week:

How might God, who changed the world through David's life. Bestowed revelation through Israel's history, and even took flesh in Mary's body, be able to use me to do what? For whom?
