Third Sunday of Lent (year C)

From The Desk of Msgr. Corrigan:

What is a “mantra”? It is a repeated word or short phrase that helps one concentrate. My present mantra is the words of Pope Francis: “Build bridges, not walls.” It can apply to many situations including the present refugee situation in the world or to our own personal relationship to others.

The Cardinal Stewardship Campaign is in its most important phase: getting parishioners to make pledges. Our goal this year is \$31,000.00. So far we have only \$8,000.00 in pledges. For those who have received mail about the details of pledging/donating, the easiest thing to do is to fill out the pledge card and mail it in the envelope provided. In two weeks we will have an in-pew campaign at all the Masses. Pledge cards will be distributed and you fill it out and then we collect them, it is mainly for those who have not yet made a pledge. But we ask even those who did make a pledge to fill out a card.

Among the very worthy projects that are financed by the campaign is the retirement home for priests. In 2018, my eightieth year, I am required to retire. For me, that means leaving St. Mary’s and probably residing in the Cardinal John O’Connor residence home for priests in Riverdale-unless there is no room available at that time. Then there are other options. So your pledges this year will help your pastor (canonically since I am over 75 years old, an “administrator”) when I retire.

I am almost finished my book on the history of our parish. The text is finished. Now we have to figure out how much space is available for photographs. It will be 160 pages. It will be somewhat different from our history on our web page. Some chapters have been dropped, others added and most of them revised. Having immersed myself in the history of former pastor, I suddenly realized one night that I am sleeping in the same room as seven of these men. It is a good thing that I don’t believe in ghosts.
